Introduction

Hi name is Addison Carroll, and I am in 18th grade (2nd year PhD)

I was born January 27th 1998

I grew up in Smithville Missouri (30 min north of KC)

I currently work in dairy cattle nutrition focusing predominantly on dairy cattle energy utilization

I am planning to graduate early next fall!

My favorite animal

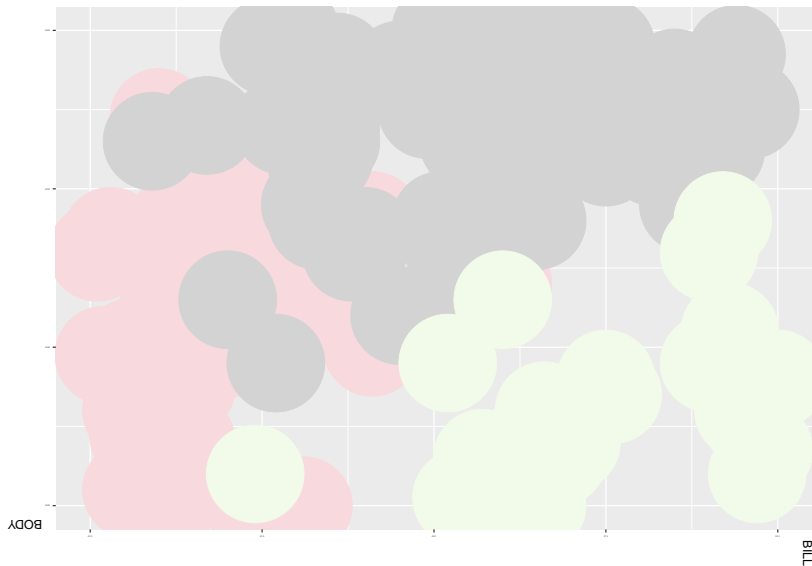

My favorite animal is the wild Jersey heifer. They are curious and adorable. They have fun personalities and are a blast to work with..

These little ladies are named Randi (#25079) and Julie (#25000)

My favorite plot

Super gross and I dig it
